PROFILE

I'm a Full Stack Developer with a strong background in building responsive, scalable web applications using modern technologies like React, Node.js, and TypeScript. Passionate about clean code, performance optimization, and delivering seamless user experiences.

EDUCATION

2018-2020

SSC | Pre-medical

Government Secondary School Karachi

EXPERIENCE

- Development : Used HTML, CSS, JavaScript, and React to build interactive and visually appealing websites that are easy for users to navigate.

- Responsive Design: Made sure each project works well on all devices, like phones, tablets, and computers, so it's accessible to everyone.

- Problem-Solving and Self-Learning: Took on challenges independently and learned new tools like Next.js and Tailwind CSS to keep up with the latest in web developement
